## Notes

## Survey

How many times have you attended ASIA Women's Conference?

1                      2                      3                      4                      5

Which topic was most helpful to you this year?

Is there a topic that you would like addressed next year?

If you could suggest one thing to improve A.S.I.A. Women's conference what would it be?

### **We need you!**

Due to the transient nature of our expat lives here in Asia, the Conference Committee is always looking for new sisters to get involved and participate in the planning of next year's conference.

The A.S.I.A Conference Committee involves sisters from many of the different countries in the Asia Area of the church. The committee communicates via email, video conferencing & telephone. There are a variety of positions with various levels of time commitment.

If you would like to be a part of the planning committee for next year, or help in some way during the conference, please provide your name, email, phone number and current country of residence.
